

COUNTRYSIDE POLICE DEPARTMENT

ANNUAL REPORT 2025

Message from the Chief

To the Honorable Mayor Sean McDermott and the City Council of Countryside,

On behalf of the men and women of the Countryside Police Department, I am pleased to present our agency's 2025 Annual Report for your review. This document provides a comprehensive overview of the Police Department's operations for the preceding year and highlights our team's many accomplishments and exemplary performance as a work group.

In 2025, CPD officers responded to 16,116 calls for service, issued 5,131 citations and written warnings, and made 138 adult arrests. It should be noted that 2025 represented the fifth consecutive year in which no complaints were received as a result of any of these many contacts with the public. This unblemished record continues to be an indicator of the professionalism with which our officers and staff engage community stakeholders.

As always, I extend sincere thanks to our city fathers and the citizens of Countryside for their unflagging advocacy of our officers and the mission we undertake every day. We are fortunate recipients of a level of support that is noteworthy in its scope and vision for our personnel and, more importantly, the overall well-being of our community. We are ideally positioned to meet every opportunity and challenge which lies ahead and will continue to be guardians of the trust you have placed in us.

Respectfully,

Paul Klimek
Chief of Police

Accomplishments

Hired Officer Jacob Terpstra on February 4, 2025. An Army Veteran who served with distinction for four years, Officer Terpstra is also an active member of the Army National Guard. He is currently studying at Indiana Wesleyan University where he is majoring in global security and strategy management.

Contracted with Ms. Mariah Cox to provide mental health services to individuals in crisis within the community who come into contact with the department. Mariah holds a Bachelor's degree in Psychology with a minor in Criminal Justice from Illinois State University and received her Master's degree in Forensic Psychology from The Chicago School of Professional Psychology. Ms. Cox is currently working toward getting her Licensed Clinical Professional Counselor (LCPC) license and has five years of clinical experience.

Purchased two new 2026 Dodge Durangos for use as Administrative vehicles. Each vehicle was further outfitted with emergency equipment and other enhancements for a total investment of $110,033.73. Acquisition of the Durangos was completed as part of the City's capital replacement plan and enabled the replacement of a high mileage 2013 Ford Taurus and a 2016 Ford Explorer, thus saving in increasingly costly repairs experienced with both older vehicles.

Purchased a new 2025 Ford F-150 Responder truck for use as a utility vehicle by our special operations units, including the Truck Enforcement team, Bike Patrol team, and IDOT Traffic Enforcement team. This particular vehicle was selected due to its capacity for storing the Department's portable semi-trailer weight scales in the truck bed, which enables a single officer to readily conduct enforcement details without the need for a second officer's assistance. This vehicle and enhancements were purchased with Asset Forfeiture Funds for a total expenditure of $87,146.11.

Accomplishments

Purchased 7 new Sig Sauer rifles to replace 10-year-old long guns used in patrol operations and tactical training programs. The new rifles are equipped with accessories which greatly enhance officer safety and effectiveness, including suppressors providing greater hearing protection and malfunction reduction, ambidextrous controls for both left- and right-handed users, optics with longer battery life and performance guarantees in frigid weather, flashlights with greater lumens, and push button slings for ease of adjustment. The entire cost for these critical improvements was $24,543.77, which was $3,456.23 under budget.

Began installation of cradlepoint wireless routers and HAAS Alert Systems in patrol vehicles. The new routers enable full integration of the cameras, printers, and computers operating in modern patrol units via reliable and fast internet connectivity. HAAS Systems alert drivers, through navigation applications installed in their respective vehicles, to approaching emergency vehicles. These alerts play an instrumental role in the reduction of traffic collisions during emergency responses. A total of $10,409.56 was spent in 2025 on these upgrades.

Seven truck enforcement details were conducted by officers specifically trained to recognize and enforce traffic violations committed by commercial motor vehicles, a proven cause of considerable roadway damage and, oftentimes, a safety threat to the driving public. These details enabled our officers to concentrate their enforcement efforts solely on commercial vehicles travelling through Countryside's main thoroughfares. In all, 21 citations were issued and $26,436.00 in fines were collected.

Continued to participate in the Illinois Department of Human Services Tobacco Enforcement Program, a grant-funded initiative providing retailer education and compliance checks of tobacco retail establishments to prevent the sale of tobacco and vape products to individuals under 21 years of age. Every Countryside tobacco retailer visited was 100% compliant with Illinois law in 2025.

Accomplishments

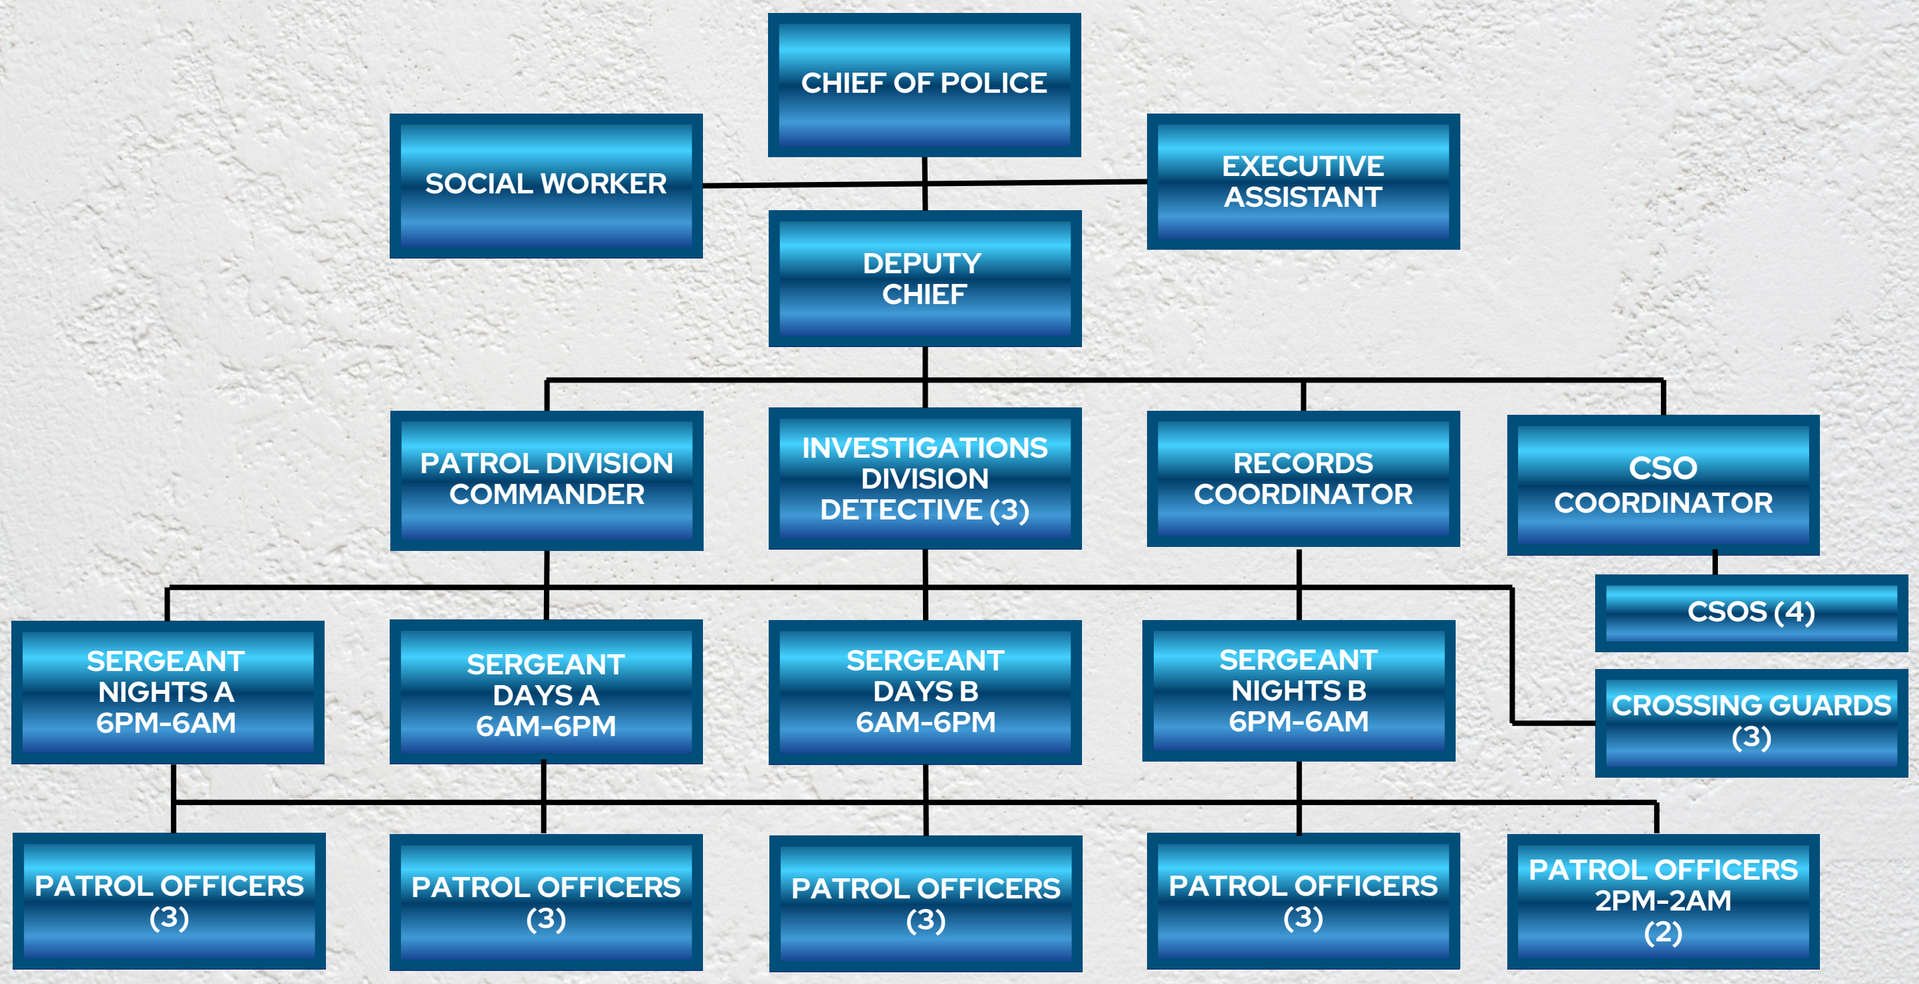

Continued to participate in the Illinois Department of Transportation's Sustained Traffic Enforcement Program, which includes a series of special grant-funded enforcement details dedicated to enhancing traffic safety. CPD officers working these details educate the public through enforcement of laws related to impaired driving, excessive speed, distracted driving, and use of seat belts.

Hosted a successful Shop With a Cop event which provided holiday gifts and resources to local deserving families. This program was made possible through the collaborative efforts of our officers, volunteers, and generous donations received from local businesses.

Continued to partner with our local Dunkin Donuts and Texas Roadhouse Restaurant to raise money for Special Olympics Illinois. Between the two events, $4,326.12 was raised to support special needs athletes in their quests for athletic achievement and inclusion.

Continued to utilize in-house instructors to provide critically important, State-mandated training to their peers on topics such as Use of Force, High Risk Vehicle Stops, and Emergency Medical Response.

Police Administration

The Countryside Police Department is led by a Chief of Police whose Office oversees all aspects of the agency's operations and provides leadership, direction, and strategic vision to all P.D. personnel. In collaboration with other Command staff, the Chief ensures the department's optimal management through the adoption and implementation of professional standards and adherence to practices which ensure community-centered policing, the promotion of officer safety and well-being, and the mitigation of risk. Command staff members each play an integral role in the continued management of essential departmental functions, including:

BUDGETING

Providing responsible stewardship and allocation of city financial resources

EQUIPMENT

Encouraging the acquisition & use of technological resources in order to more effectively respond to, and prevent, criminal activity

COMPLIANCE

Ensuring complaince with Illinois Law Enforcement Training and Standards Board training mandates to ensure adherence to sworn officer certification requirements

STANDARDS

Implementing policies and procedures in accordance with community expectations, industry best practices, recommendations from insurance carriers, and other trusted sources

COMMUNICATION

Creating effective and inclusive agency messaging & community outreach initiatives through a variety of platforms

STAFFING

Maintaining optimal manpower levels through proactive recruitment and selection processes

CHIEF OF POLICE

PAUL KLIMEK

Deputy Chief James Stern
Commander Darrell DuRell
Executive Assistant Shelley Cooker

Community Service Officers

Community Service Officers (CSOs) play an important role in day-to-day operations by minimizing the administrative responsibilities of patrol officers, thus freeing them to spend more time on the street serving our residents. CSOs provide coverage at the front desk during and after business hours at the municipal complex and are responsible for a myriad of tasks, including answering non-emergency phone calls, preparing arrest jackets, assisting visitors at the walk-up window, data entry, processing ticket/fine payments, and monitoring video surveillance throughout the municipal complex, Ideal Park, and Water Department facilities.

The CSO Coordinator has additional responsibilities that include interviewing and training new CSOs, ensuring the accuracy of arrest jackets and tickets, processing bank deposits, maintaining LEADS hot files, LEADS agency coordination, clerking Administrative Ajudication hearings, and processing collections.

Police Records

The Records Department oversees all police department records and provides information and assistance to the public regarding all manner of administrative documents. Statistical data, official police reports, and documents ranging from parking citations to traffic crash and arrest reports are processed daily and archived here. The Records Coordinator is responsible for ensuring the accurate reporting and archiving of all reports of criminal, non-criminal, and traffic activity handled by Countryside police officers. Additionally, the Coordinator is responsible for other functions, including annual records disposal, 5th District Circuit Court documents and reporting, subpoena requests, Freedom of Information Act (FOIA) requests, local ordinance citations, records expungements, and auditing of the records management system (RMS). In addition to RMS software, computerized accident reporting software allows officers to complete accident reports electronically, which are then made available to citizens and insurance companies online. This software also seamlessly compiles State-required crash statistics, thus enabling staff to conduct analyses of crash data.

RECORDS COORDINATOR

MS. JOANNE HERNANDEZ

Dispatch/Emergency Communications

Emergency dispatch services for the residents and businesses of Countryside are operated by the Lyons Township Area Communications Center (LTACC). LTACC serves and operates as a 9-1-1 Public Safety Answering Point (PSAP) and dispatch center for the Countryside, LaGrange, LaGrange Park, and Western Springs Police Departments as well as the LaGrange, LaGrange Park and Western Springs Fire Departments. LTACC became a consolidated dispatch center on March 20, 2017.

Through LTACC, the citizens of Countryside have access to enhanced 9-1-1 services and emergency notifications with Smart911 and Rave Alert. Smart911 allows citizens to create a Safety Profile for their households that include any information they may want 9-1-1 and response teams to have in the event of an emergency such as allergies, pets, emergency contacts, household information, medical histories, and vulnerable needs. Information from Safety Profiles is automatically displayed to the 9-1-1 call takers during emergency calls, thus allowing them to send appropriate response teams to correct locations with the right information.

Rave Alert, which acts as a mass notification system, allows the City of Countryside and the Countryside Police Department to notify citizens of vital information and emergency situations that may be occurring in their neighborhoods. By "opting-in" for notifications, citizens are able to receive timely and actionable emergency alerts via text, email, and/or voice message.

Both Smart911 and Rave Alert are free services provided to the citizens of Countryside.

LYONS TOWNSHIP AREA COMMUNICATIONS CENTER 9-1-1

NON-SEVERE WEATHER NOTIFICATION USERS	1837	1789	2.7%
SEVERE WEATHER NOTIFICATION USERS	3204	3092	3.6%

Patrol Division

The Patrol Division is the largest and highest profile component of the Countryside Police Department. Employing 4 sergeants and 13 patrol officers, the primary responsibility of the Patrol Division is the protection of life and property. Patrol officers maintain peace and order, conduct preliminary investigations, and enforce traffic and criminal laws, as well as City ordinances. Patrol officers provide initial response to emergency and non-emergency calls for service. They handle special assignments, proactively address community concerns, and perform ancillary functions such as evidence technician, field training officer, elderly service officer, bicycle officer, and more.

The Patrol Division provides continuous 24-hour police service and operates on a 12-hour-shift patrol schedule. Each shift is supervised by a Sergeant or Officer-in-Charge. Our officers patrol a service area of 2.88 square miles and serve a population of 6,420 (2020 Census), that includes 2,524 households, 9 parks, a 9-hole golf course, over 550 businesses, and 2 schools.

Patrol officers responded to 16,116 total calls for service in 2025. This figure represents a 2.87% increase from the 2024 total and includes responses to incidents such as criminal offenses, traffic crashes, alarm activations, disturbances, traffic complaints, and other miscellaneous incidents. Of these calls, 6,299 were officer-initiated interactions that include incidents such as open door/window checks, and business/building checks.

Patrol Vehicles & Technology

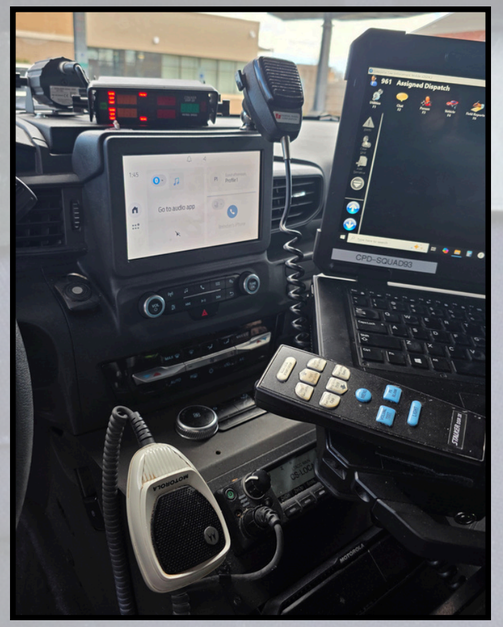

Countryside Police Department Fleet

All patrol vehicles are equipped with advanced technological tools, including in-car camera systems and Computer Aided Dispatch (CAD) software. These in-car systems comprise the backbone of modern law enforcement technological responses. CAD software alerts officers when they are being assigned to calls and, with the click of a button, officers can notify dispatch that they are responding to, or have arrived at, a dispatched call. CAD software greatly reduces extraneous radio traffic and minimizes the amount of paperwork officers are required to complete daily.

2 INVESTIGATIVE VEHICLES
3 ADMINISTRATIVE VEHICLES
1 UNMARKED SQUAD
4 POLICE BICYCLES
2 CARGO TRAILERS
2 SPEED SIGNS

Patrol Technology

License Plate Readers (LPRs) are installed at various locations throughout the city. When these cameras read license plate numbers, “hits” are generated based upon information entered into “hot files” produced by law enforcement agencies. A hit could be anything from a stolen or suspended/revoked plate to a stolen or felony vehicle or a missing or wanted person. Whenever an LPR “hits” on a plate, our officers receive an alert that comes directly to their squads. Once an officer receives a hit notification on a plate, they will manually confirm the hit and determine whether it is actionable/enforceable. For example, officers will act if the hit is for a stolen plate or stolen car reported in the past 90 days and for missing or wanted persons reported in the past year. If a plate “hits” as stolen, but it matches the registration of the car, officers would not take enforcement action.

All officers are equipped with body-worn cameras which provide an official recording of officers’ interactions with citizens, responses to incidents, and any other activity initiated during a patrol shift. This digital footage is maintained via cloud storage and serves as evidence for court proceedings, public inquiries, and investigations. This footage captures the good work of our officers and ensures transparency and accountability.

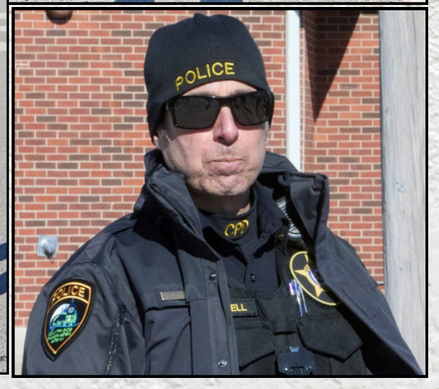

HAAS ALERT

Half of Countryside’s patrol fleet has been equipped with Safety Cloud by HAAS Alert. This technology sends digital alerts to nearby drivers when our emergency vehicles are responding to an incident. Drivers receive these alerts directly on their in-dash systems if they drive a 2024 or newer model Volkswagen, any 2018 or newer models of Chrysler, Dodge, Jeep, and RAM products, or through popular navigation apps like Waze and Apple Maps. Safety Cloud helps reduce collision risks by up to 90% and supports compliance with Illinois Move Over laws. This initiative was made possible through grant funding provided by the Illinois Department of Transportation and will be completed in early 2026.

Patrol Personnel

As a means of providing career development opportunities for our personnel, many officers serve in specialty roles. These assignments require additional training to enhance the skills needed to perform these highly specialized job tasks, thus ensuring highly responsive levels of performance and service to the community. Our officers diligently serve in the following capacities:

ACCIDENT RECONSTRUCTIONISTS
BICYCLE OFFICERS
CHILD SAFETY SEAT TECHNICIANS
CRISIS NEGOTIATOR
DRONE PILOTS
EVIDENCE TECHNICIANS
FIELD TRAINING OFFICERS (FTOS)
INVESTIGATORS
JUVENILE OFFICERS
SWAT TEAM MEMBERS
TRUCK ENFORCEMENT OFFICERS

Our people are our greatest resource!

Investigations

The Countryside Police Department Investigations division consists of three detectives who are on call 24 hours a day, seven days a week. Each of these investigators has received specialized training which enables them to perform case follow-ups and investigate serious crimes which occur beyond the geographic reach and scope of Patrol Division operations. Cases worked by our detectives include sex crimes, home burglaries and invasions, death investigations, burglaries to motor vehicles, thefts, batteries, assaults, and fraud. Two of the detectives share responsibility for conducting case work, managing property and evidence, and augmenting patrol strength when needed. They are also assigned to the Major Case Assistance Team (MCAT) and the South Suburban Major Crimes Task Force (SSMCTF).

Investigations

The third detective in the Investigations Division is assigned to the Chicago High Intensity Drug Trafficking Area (HIDTA) Domestic Highway Enforcement initiative though an intergovernmental agreement with the Illinois State Police Narcotics and Currency Interdiction Task Force (NARCINT). The HIDTA Unit investigates the illegal sale of narcotics and attendant money laundering crimes committed throughout the state of Illinois. This detective focuses primarily on commercial motor vehicle interdiction efforts which target narcotic and currency traffickers.

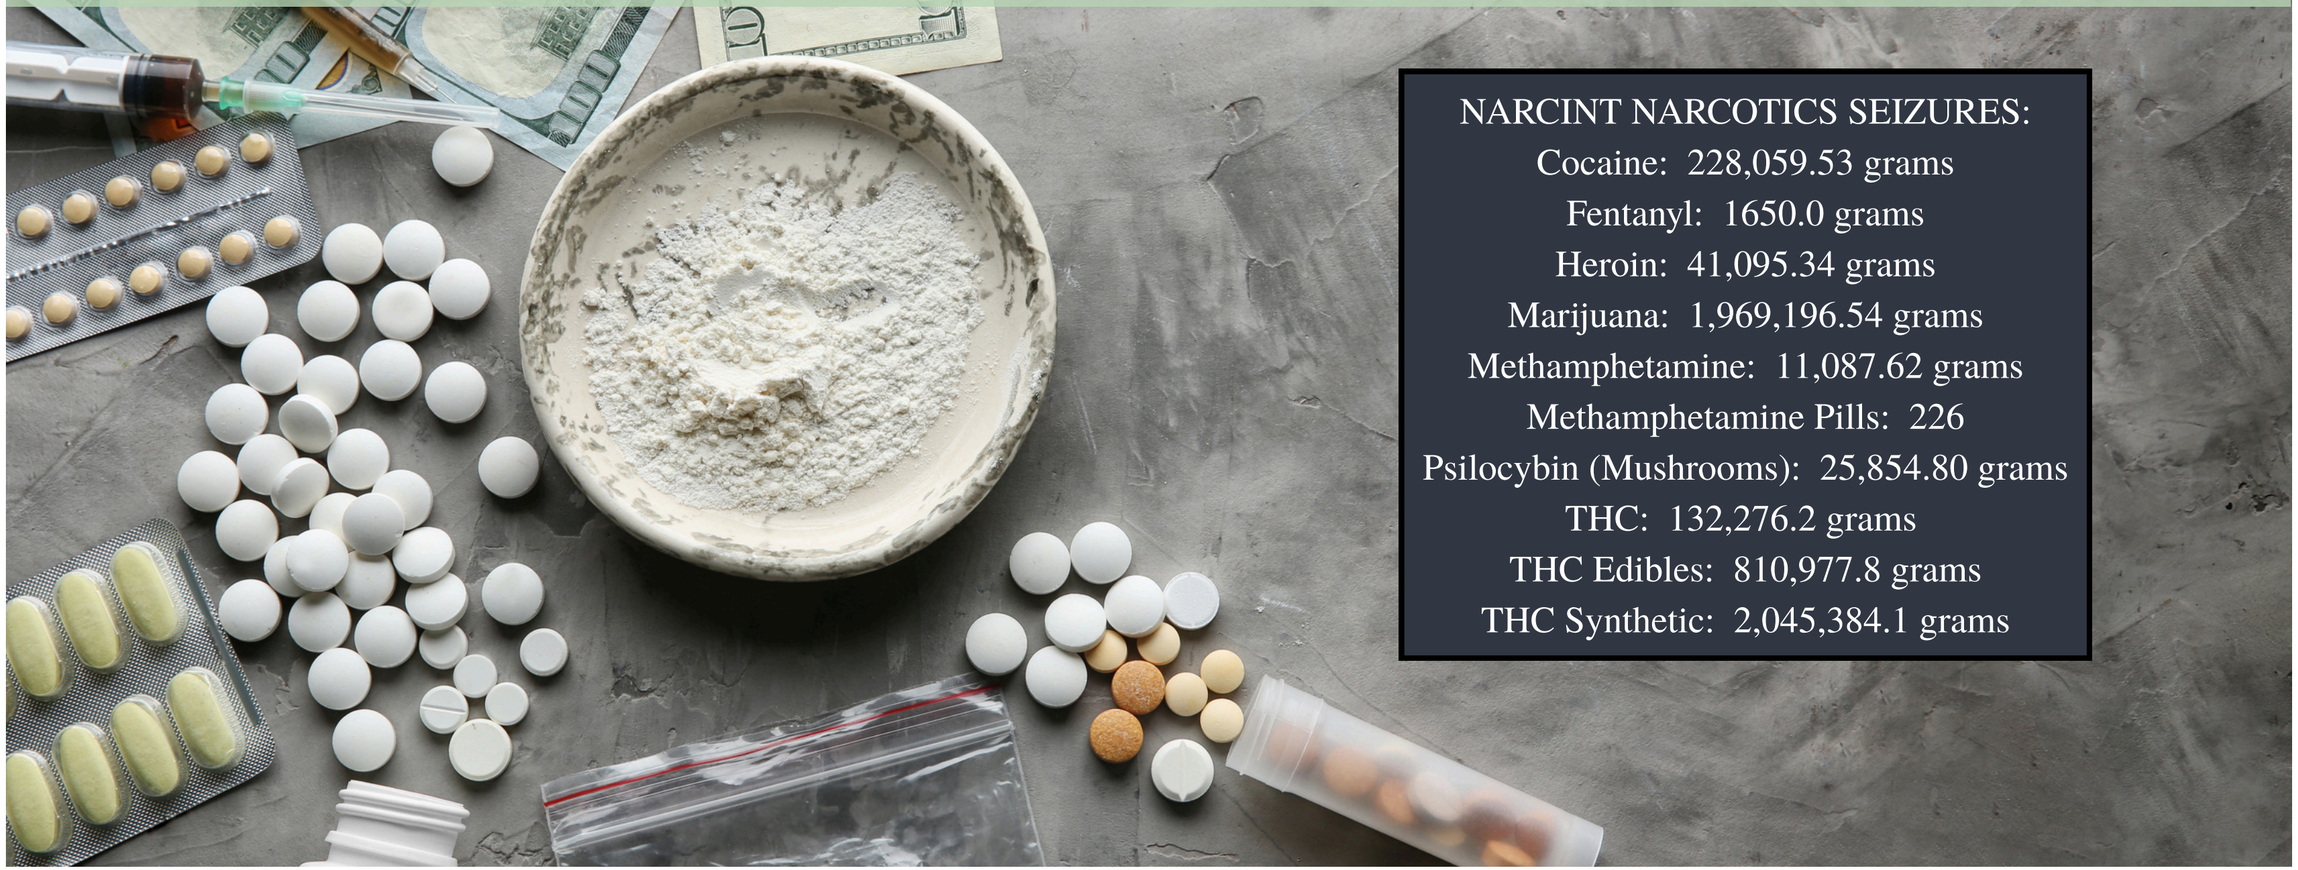

NARCINT ACTIVITY:
Total Cases: 56
Arrests: 7
Firearms Seized: 2
Vehicles Seized: 7
Search Warrants: 22

- NARCINT seized $2,431,271.65 in U.S. currency in 2025
- TOTAL Cash & Assets Seized in 2025: $2,813,121.60

Investigations

Participation in NARCINT provides significant benefits to the citizens of Countryside. Assigned members of the task force receive invaluable on-the-job training from seasoned narcotics investigators while working significant cases at the County and State level. Additionally, the City of Countryside receives a percentage of all seized currency and the value of forfeited assets, which offsets budgetary expenditures.

NARCINT NARCOTICS SEIZURES:

Cocaine: 228,059.53 grams

Fentanyl: 1650.0 grams

Heroin: 41,095.34 grams

Marijuana: 1,969,196.54 grams

Methamphetamine: 11,087.62 grams

Methamphetamine Pills: 226

Psilocybin (Mushrooms): 25,854.80 grams

THC: 132,276.2 grams

THC Edibles: 810,977.8 grams

THC Synthetic: 2,045,384.1 grams

Community Services

The Countryside Police Department provides programs and safety initiatives as a means of encouraging community involvement and building valuable relationships and partnerships with residents and businesses alike. Our Officers are committed to ensuring a high quality of life for all who live and work in our city.

Community Services

Crisis Center for South Suburbia: Our department continues to participate in the Crisis Center for South Suburbia's Law Enforcement and Victim Outreach (LEAV) program, which provides services and outreach to domestic violence victims, domestic violence and resource education, professional training, roll call information, and referral information for complainants. A court advocate is assigned to the Countryside Police Department and works with Social Worker Mariah Cox to guide victims through the criminal justice process, including the function of orders of protection, safety planning, and available counseling services for them and their children. Court advocates are also available at the 5th District Courthouse to assist victims with obtaining orders of protection and securing shelter.

Throughout 2025, our LEAV advocate reviewed 33 domestic-related police reports and provided outreach to 14 victims.

Community Services

Youth Outreach Services: YOS assists the Countryside Police Department in encouraging the potential of young people and assisting them in finding their ways forward to positive adulthoods. By helping them recognize their strengths and encouraging healthy decision-making, YOS fosters essential life skills in youth. Central to YOS's mission is providing teens and their families with resources needed to confront and preempt obstacles to success through comprehensive focus on:

SUBSTANCE USE PREVENTION AND TREATMENT
TEEN PREGNANCY PREVENTION
AFTER SCHOOL PROGRAMMING
YOUTH EMPLOYMENT
FAMILY AND GROUP THERAPY
OUTREACH AND MENTORING
DIVERSION AND RE-ENTRY SERVICES
ALTERNATIVES TO DETENTION
HOMELESS YOUTH SERVICES
FAMILY REUNIFICATION
CASE MANAGEMENT

Public Information

The Countryside Police Department places a high priority on keeping citizens and other stakeholders apprised of relevant information arising from events occurring within our city. From everyday operations to critical incidents requiring time-sensitive responses, our primary mediums for disseminating information are through our Facebook page and the City of Countryside's website. Through these portals, we are able to share press releases, weekly activity blotters, public service announcements, upcoming events, lost pets, and more. We were gratified to have seen consistent increases in most engagement metrics throughout 2025.

Special Enforcement Programs

ILLINOIS DEPARTMENT OF TRANSPORTATION
TRAFFIC SAFETY CAMPAIGNS

These high visibility enforcement efforts promote traffic safety and reduce the incidence of fatalities and serious injuries during some of the busiest travel times of the year. Special emphasis is placed on the detection of impaired driving, speeding, distracted driving, and seat belt and car seat use. These safety campaigns are funded by IDOT with Federal highway safety funds managed by the National Highway Traffic Safety Administration.

In 2025, our officers committed 756 hours to conducting 13 special enforcement details, including: Super Bowl, St. Patrick's Day, Distracted Driving, Memorial Day, 4th of July, Speed Awareness, Labor Day, Child Passenger Safety, Halloween, Thanksgiving, and Christmas/New Year's Day, with the following results:

467 Seatbelt Violations
166 Speeding Violations
123 Other Violations
92 Distracted Driving Violations
14 Traffic Arrests
3 Criminal Arrests
0 Car Seat Violations

Special Enforcement Programs

COMMERCIAL VEHICLE ENFORCEMENT TEAM

From June 3rd through November 4th, 2025, our Truck Team conducted 7 different enforcement details throughout the city of Countryside.
In total, 21 citations were written and a total of $26,436 fines were assessed for found violations of Illinois traffic laws governing semi weight load limits, vehicle conditions, driver documentation, and other requirements.

Special Enforcement Programs

ILLINOIS DEPARTMENT OF HUMAN SERVICES
TOBACCO ENFORCEMENT PROGRAM

Through a combination of retailer education and supervised compliance checks, this program ensures all Countryside businesses holding tobacco licenses do not sell those products to minors. These enforcement checks are funded by a grant from the State of Illinois Tobacco Enforcement Program in cooperation with the Illinois Department of Human Services.

In 2025, our officers conducted 3 rounds of tobacco compliance checks on 15 licensed retailers in Countryside with the following results:

100% Compliance on all three enforcement dates

Department Training

Countryside Police Officers are required to complete training mandated by the Illinois Law Enforcement Training and Standards Board (ILETSB) that addresses issues related to civil rights, constitutional and proper use of law enforcement authority, cultural competency, procedural justice, and human rights. Additionally, our officers attend training programs that provide specific technical skills needed to do their jobs safely, legally, and professionally. Through a combination of online and in-person programming, officers receive instruction on disciplines as varied as case law/legal updates, patrol tactics, supervision and leadership, investigative techniques, evidence processing, and much more. CPD is a member of North East Multi-Regional Training, the largest decentralized in-service training academy in Illinois which provides essential ILETSB-certified training to local, county, and State law enforcement personnel. We also receive high-quality, directed training from the Intergovernmental Risk Management Agency (IRMA).

Countryside Police officers completed 3457 combined hours of training in 2025.

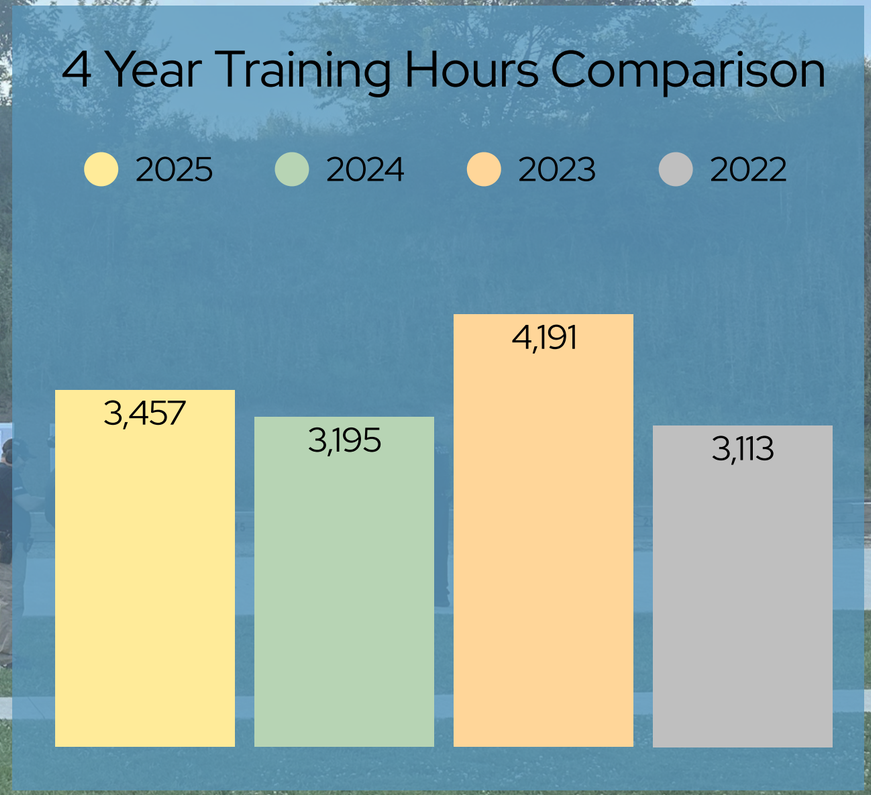

TRAFFIC STOPS CLASS
JUNE 14, 2025

Department Training

Countryside Police hosted 17 different training programs for North East Multi-Regional Training, Inc. (NEMRT), which provides our officers with two guaranteed spots in each class hosted. These course titles included:

Basic Investigative Skills Program
Chapter 720: Illinois Criminal Code Review
Emotional Regulation: Somatic Approaches to Job and Home
Gang Enforcement Skills Program
Internal Affairs Investigations
Juvenile Court Act - Chapter 705; Act 405
Juvenile Specialist Skills Program
Lead Homicide Investigator Course
Management of Field Training Programs
Report Writing for Patrol Officers
Sexual Assault Investigator Training
Suicides in L.E: Proactive Approaches to Recognizing Signs and Symptoms
The Basics of Search and Seizure
Traffic Stops: Focus on Officer Safety
Training Manager Specialist
Vehicle Stops: Focus on Officer Safety

Uniform Crime Reporting

NIBRS METHOD

The Countryside Police Department utilizes the National Incident-Based Reporting System (NIBRS) when reporting the criminal activity our department encounters. Implemented to improve the overall quality of crime data collected by law enforcement, NIBRS captures details on a single crime incident – as well as on separate offenses within the same incident – including information on victims, known offenders, relationships between offenders and victims, arrestees, and property involved in crimes. The NIBRS reporting format divides offenses into two groups, Group A Offenses and Group B Offenses. NIBRS is more detailed and collects data on more offenses than the previously used SRS method.

GROUP A OFFENSES	2025
HOMICIDE OFFENSES	0
NON-CONSENSUAL SEX OFFENSES	2
RAPE - 2	
SODOMY	
ASSAULT OFFENSES	56

Incident type represents how an initial call was dispatched to an officer. These classifications are modified by officers once the facts of an incident are established.

For instance, a person may call in a burglary when in fact the crime is actually a theft. This explains why there may be a deviation between incident totals and Uniform Crime Reporting totals.

Incident Breakdown by Month

"Incident type" represents how the initial call was dispatched to an officer. This classification will be modified by officers once the facts of the incident are established.

For example, a person may call in a burglary when in fact the crime is actually a theft. This explains why there may be a deviation between "Incident" totals and UCR totals. Incident totals cannot be accurately compared to UCR totals.

Incident Breakdown by Month

"Incident type" represents how the initial call was dispatched to an officer. This classification will be modified by officers once the facts of the incident are established.

For example, a person may call in a burglary when in fact the crime is actually a theft. This explains why there may be a deviation between "Incident" totals and UCR totals. Incident totals cannot be accurately compared to UCR totals.

	January		February		March		April		May		June		July		August		September		October		November		December		Yearly

Staff Additions & Successes

Officer Nicholas Maslanka was sworn in on December 11th, 2024, and graduated from the Suburban Law Enforcement Academy on April 25th, 2025.

Officer Jacob Terpstra was sworn in on February 12th, 2025, and graduated from the Illinois State Police Academy on June 6th, 2025.

Staff Additions & Successes

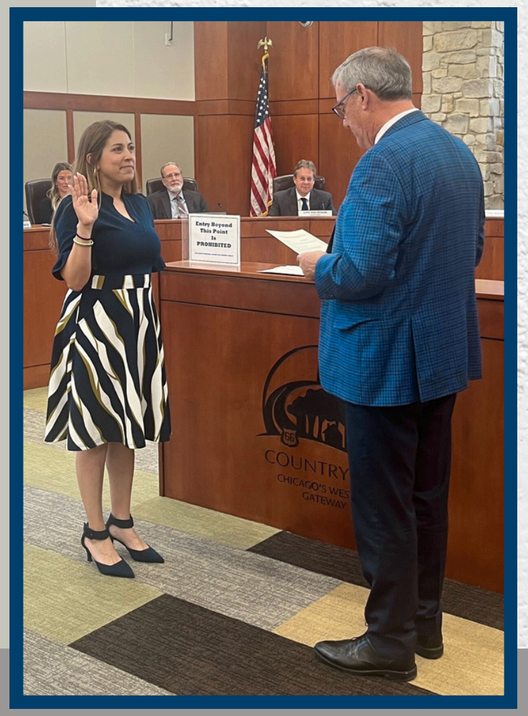

Ms. Mariah Cox was hired as the Department's first part-time Mental Health Clinician to provide assistance to individuals facing crises within the community.

Officer Kelly Kalker, Officer Kevin Cerny, and Officer Ryan Jakubowski were recipients of Lifesaving Awards presented at the City Council Meeting held on January 28, 2026. These honors resulted from a March 22, 2025, incident in which they intervened to save the life of an individual experiencing an opioid overdose.

Staff Additions & Successes

Ms. Claribel Quintana was sworn in as the newest Commissioner for Countryside's Fire and Police Commission at the May 14, 2025, City Council meeting. We thank her for her willingness to serve and look forward to working with her in the future!

After 13 years of dedicated service to the community, Secretary Mary Louise Pisone stepped down from her role with Countryside's Fire and Police Commission. We are deeply grateful for her capable guidance over the years and thank her for her many contributions to our agency. She was presented with a city Service Award by Mayor McDermott at the April 23, 2025, City Council meeting.
